52 Delegation Groups

Number of attendees over years

Mr. Phung Duc Tien
Vice Minister
Ministry of Agricultural and Environment

Vietstock 2025 serves as a vital platform where businesses showcase advanced technologies, highlight sustainable practices, exchange insights on emerging trends, and address pressing challenges in the livestock and agricultural sectors in Vietnam and the ASEAN region.

Mr. Ben Wong
General Manager
Informa Markets Vietnam

Recognised as Vietnam's premier international exhibition for the livestock industry, Vietstock is more than a trade show. It provides a dynamic platform where attendees can experience cutting-edge innovations, participate in engaging discussions, and uncover practical solutions that support a healthier and more sustainable future.

Testimonials from Vietstock Exhibitors

Mr. Vo Van Dai
Food Business Manager
KSP Vietnam

Vietstock 2025 is very well-organized. We met many new partners and customers, it's a great opportunity to promote our brand and grow further.

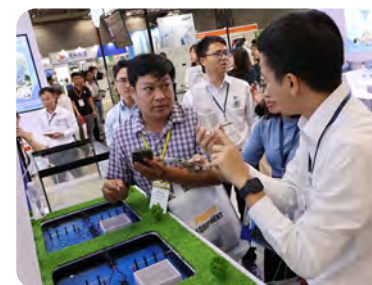

Mr. Ravi Ghavri
Commodities Head
We3 Group Pte

The organisers are very supportive and helpful. **Vietstock 2025** has been excellent. We've showcased products, met new buyers, and we're looking forward to building more business here.

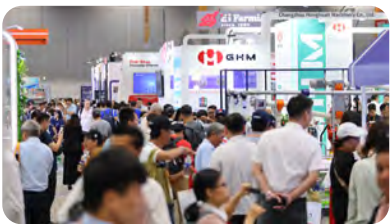

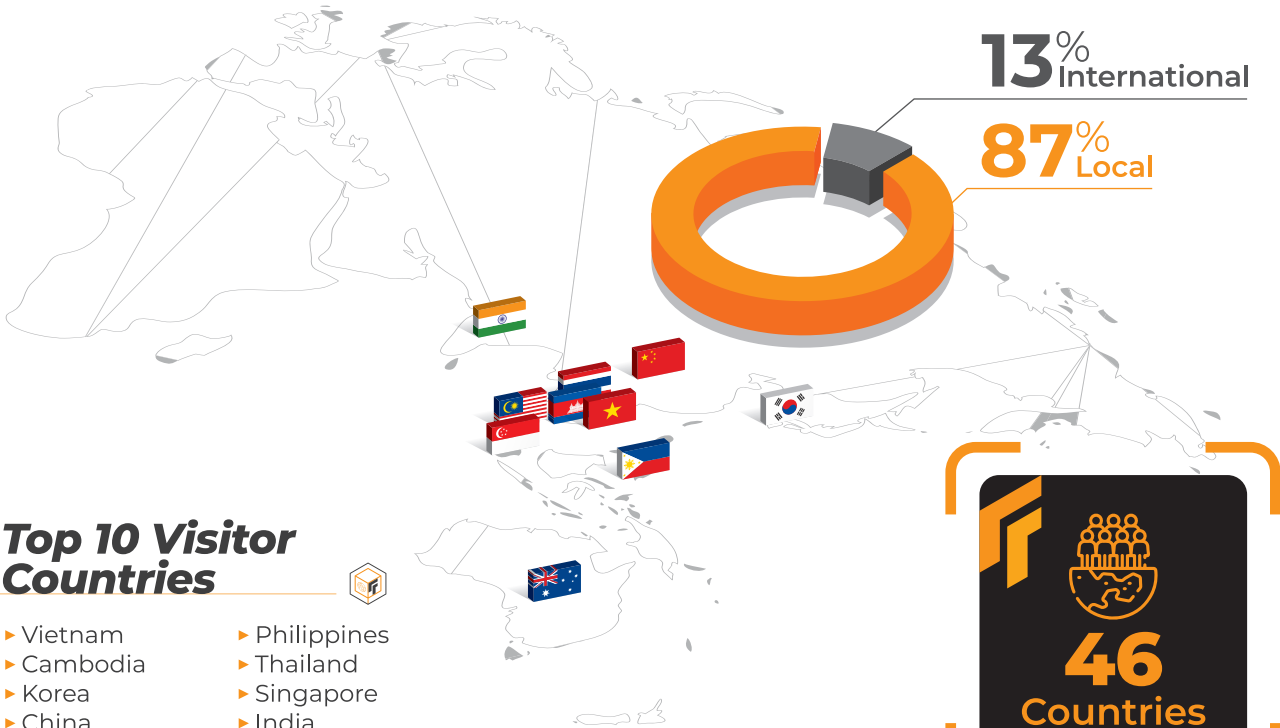

Mr. Xiangnan Li
General Manager
Scoreman

I'm glad to be here to introduce our company and meet many new friends and partners. **Vietstock 2025** is brilliant, well organised, with good service, and we met lots of farmers and sellers.

Voices of Vietstock Visitors

Ms. Liz
Business Development Coordinator
Asian Agribusiness Recruitment

There are so many exhibitors and new products at **Vietstock 2025**. I'm really excited to see what **Vietstock 2026** will bring.

Mr. Tu Nguyen
Manager
Cross

The scale of **Vietstock 2025** is impressive, with diverse exhibitors from across Asia and Europe. Everything's well-organized and professional. I'm really satisfied with the experience.

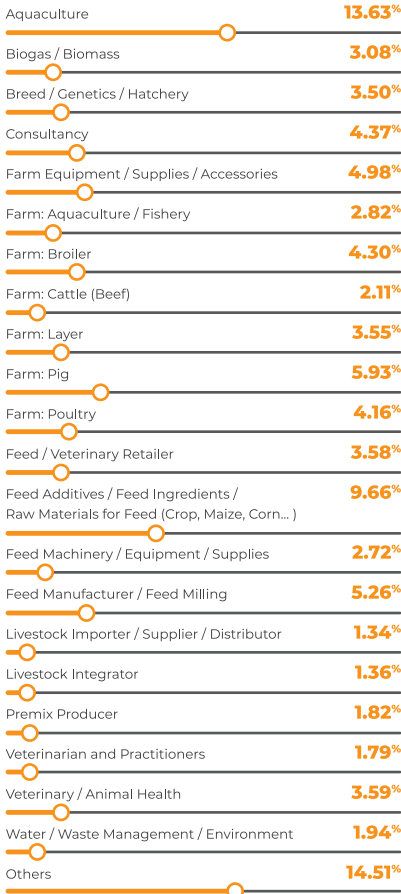

Ms. Thuy Duong
Marketing Staff
Sunjin

Vietstock 2025 gives us the chance to meet more businesses and explore new livestock technologies and feed ingredients from different countries.
